

SAPPHIRE CENTREFEED

A Fourstones Brand

Strong and
reliable!

FOURSTONES
Specialist Papermakers Since 1763

A Standout Centrefeed

Fourstones is a well-established UK centrefeed manufacturer, offering a wide range of high-quality centrefeed rolls. As an established UK paper manufacturer with a vertical integrated supply chain, we are in control of the paper used in our centrefeed products, providing the consistent quality your customers expect.

Why Choose Sapphire Centrefeed?

Made in the UK

FSC® Certified Paper

Food Safe Materials

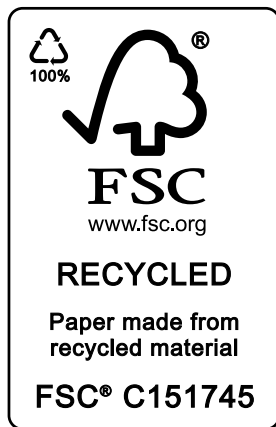

CHSA Accredited

ISO 9001:2015

ISO 14064-1:2018

FSC® Recycled 100%

We take sustainable and ethical paper manufacturing seriously. That's why we make our own FSC® Recycled 100% paper for all our recycled centrefeed products.

Secure Your Supply Chain

At Fourstones we boast four UK paper machines and 10 converting operations. This integrated supply chain provides you with real security and peace of mind knowing all of our products are traceable back to genuine and ethical sources. We are loyal, resilient and will always be here for you.

Consistent Quality

We pride ourselves on producing consistent, high-quality centrefeed products using sustainable FSC® Recycled 100% and FSC® Mixed Credit paper.

Stable Paper Sources

All of our recycled paper comes exclusively from ethical UK sources, meaning we will always deliver your centrefeed when you need it.

Sapphire Blue Centrefeed

Our blue centrefeed is strong and reliable, ideal for usage in challenging environments. Made from FSC® Recycled 100% paper right here in the UK, we guarantee our blue centrefeed products will perform every time.

Certifications That Matter

FSC® Certified

We take sustainable paper manufacturing seriously. That's why we use FSC® certified paper in all of our centrefeed products. Why? Using FSC® certified paper ensures transparent and ethical sourcing of the raw materials used in our products - helping you meet sustainability goals whilst providing a high-quality, eco-conscious product to end users.

ISO 14064-1:2018 Certified

Being ISO 14064-1:2018 certified demonstrates that we pay attention to our carbon emissions and have a verified carbon footprint. So much so, that we create a credible and measureable carbon reduction plan, ensuring we make a faster and more substantial environmental impact - leading to a greener future.
